ORDER GRANTING REQUEST FOR TEMPORARY RESTRAINING ORDER

Plaintiff, IntelCom, Inc. by counsel, having filed its Motion for Temporary Restraining Order, and the Court having reviewed Plaintiffs' Motion for Temporary Order, Verified Complaint, the Plaintiffs' Memorandum in Support for Temporary Restraining Order, attorney certification and it appearing that unless defendants are restrained from selling, trading, transferring, registering transfer or otherwise disposing of shares of InteleCom stock in their possession and/or control until such time as this Court may determine whether preliminary injunction should be issued InteleCom will be irreparably harmed in the event that such shares are sold, traded, transferred, registered for transfer or otherwise disposed of by its inability to have said shares returned to it, such shares have unique value. indicate a significant danger that they will take immediate action to sell, trade, transfer, register transfer and/or take other acts to dispose of the shares upon notification of this proceeding.
